District School Council / Parent Involvement Committee

Trillium Lakelands District School Board believes that parents play a vital role in the development and education of their children and in the success of Trillium Lakelands District School Board schools.

The primary purpose of the District School Council / Parent Involvement Committee is to help schools, through school councils, to implement strategies which will create the conditions for parents to engage in their child's education and reduce barriers for parents who find involvement more challenging.

This Committee will also provide the opportunity for parents to have a voice that will be taken into account at the Board level.

District School Council / Parent Involvement Committee will focus on supporting schools in the planning and implementation of strategies to involve parents at the school and the District level.
