G7 Student Senate

Five of the seven members of the G7 Student Senate provided trustees with an overview of their experiences this year as they became friends and facilitated a number of events and initiatives in the board. Each G7 student took a turn to describe their role and provide details about the pasta challenge, Better Together Day, the student leadership conference, and this year's new initiative – a mental health week.

OPSBA Jack A MacDonald Award

The Ontario Public School Boards Association (OPSBA) Jack A. MacDonald Award of Merit is awarded each year to a public school student in Ontario who has a sound academic record and outstanding community service and leadership. IE Weldon Secondary School Grade 12 student, Chase Woon, has been selected as this year's winner of the award. Nominator Trustee Karen Round presented the award to Chase and included a slide presentation to demonstrate the many ways Chase has impacted her community saying, "Chase Woon is an ally and advocate for the culture of kindness, empathy, and understanding in our schools and communities. Her quiet leadership speaks volumes with the many people that Chase has supported, encouraged, and mentored."

Outgoing 2013-2014 Student Trustee, Jillian Hawley, was presented with a plaque denoting her time with the board. Trustee Chair Louise Clodd thanked Jillian for bringing the student voice to the table.
