IMPORTANT NOTICE FOR FAMILIES

The purpose of this letter is to update families in Trillium Lakelands District School Board on the November progress reports for elementary students.

As you are aware, the Ontario Government has been in negotiations with the Elementary Teachers' Federation of Ontario (ETFO) and the Canadian Union of Public Employees (CUPE) for some time now. Both ETFO and CUPE members in schools across Ontario are engaged in job action that restricts some of their administrative tasks.

Student progress reports normally sent out in November will be postponed for the time being. Parent interviews and kindergarten observation opportunities will also not be taking place until a later time in the school year. Teachers will continue to contact parents if they have concerns about a student.
