My name is Colin Breeson and I am a graduate of Honey Harbour Public School.

I am here tonight to help address the issue of the potential closure of this wonderful school.

One of the reasons the Board is trying to close the school is they don't think the quality of education is good enough and is not preparing us for High School.

The only thing I was not prepared for in High School is how boring school can be.

During my time at HHPS, the teachers were always engaged and there for you.

They paid special attention to ALL of their students. They made learning fun and easy. I learned teamwork and useful skills I will actually use along with my regular subjects.

Where else would you learn how to filet a fish in school except HHPS?

It's such a unique school and unique does not mean under qualified. It should NOT close.

I tried to get some of my fellow graduates to come and speak with me tonight, but many are not comfortable speaking in public, so I am here to represent.

To represent the current students at HHPS I would like to introduce Maddie Elgar.
