

April 26, 2017

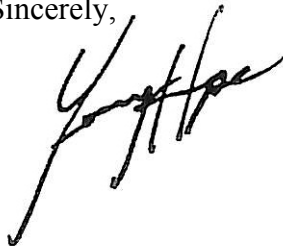

Dear Parents and Guardians of Honey Harbour Public School and Glen Orchard Public School;

As you know, Trillium Lakelands District School Board has been engaged in an Accommodation Review of Honey Harbour Public School during this school year. Last evening, trustees received the final staff report on the proceedings, which included a summary of feedback received from parents, community members, students and the Township of Georgian Bay over the course of the last five months.

We are pleased to share with you that trustees voted to keep Honey Harbour Public School open. The board will make use of some funding we expect to receive from the Ministry of Education to support additional staffing at the school in an attempt to have fewer grades and less students in each classroom.

On behalf of our trustees and staff, we would like to take this opportunity to thank the members of our Accommodation Review Committee who committed countless hours to this process. We would also like to extend our appreciation to all members of the school community who shared their thoughts and ideas with us.

Sincerely,

Larry Hope
Director of Education

Louise Clodd
Chairperson
