HEALTH AND SAFETY

Trillium Lakelands District School Board recognizes and is committed to its responsibilities to provide for the health and safety of all workers while at work.

In order to achieve this objective, all workers are required to be active in health and safety and accident prevention by performing their tasks in accordance with the Occupational Health and Safety Act, the Regulations under the Act, the Internal Responsibility System, established safety procedures, and safe work practices on the job.

The Board will take every precaution in the circumstances to protect the health and safety of workers, students, volunteers, visitors and contractors. This shall be accomplished by developing, documenting, and implementing safety policies and procedures.

The Board recognizes and endorses the Internal Responsibility System whereby all workplace parties participate in building a robust safety environment. Principals/Supervisors are to ensure that safe work procedures and training are implemented and followed to maintain a safe and healthy workplace.
